MANAGEMENT LETTER

FOR THE FISCAL YEAR ENDED
DECEMBER 31, 2020

May 12, 2021

Members of the Board of Directors
Special Leisure Services Foundation
Rolling Meadows, Illinois

In planning and performing our audit of the financial statements of the Special Leisure Services Foundation (the Foundation), for the fiscal year ended December 31, 2020, we considered its internal control structure in order to determine our auditing procedures for the purpose of expressing our opinion on the financial statements and not to provide assurance on the internal control structure.

We do not intend to imply that our audit failed to disclose commendable aspects of your system and structure. For your consideration we herein submit our comments and suggestions which are designed to assist in effecting improvements in internal controls and procedures. Those less-significant matters, if any, which arose during the course of the audit, were reviewed with management as the audit field work progressed.

The accompanying comments and recommendations are intended solely for the information and use of the Board, Executive Director and senior management of the Special Leisure Services Foundation.

We will review the status of these comments during our next audit engagement. We have already discussed many of these comments and suggestions with various Foundation personnel. We would be pleased to discuss our comments and suggestions in further detail with you at your convenience, to perform any additional study of these matters, or to review the procedures necessary to bring about desirable changes.

We commend the finance department for the well-prepared audit package and we appreciate the courtesy and assistance given to us by the entire Foundation's staff.

PRIOR RECOMMENDATION

1. OPERATING RESERVE POLICY

Comment

Previously, we noted that the Foundation does not have a formal operating reserve policy. An operating reserve policy establishes how liquid resources should be managed to ensure cash and investments are available to meet cash needs for general expenditures within one year of the date of the statement of financial position.

It is essential to maintain adequate levels of an operating reserve policy since potential donors, grantors, creditors and other not-for-profit constituents want to know that the organizations they are evaluating have sufficient resources to meet financial obligations as they come due. Operating reserve levels are also crucial consideration in long-term financial planning.

Recommendation

We recommended the Foundation create and adopt an operating reserve policy. The Foundation should address how to meet cash needs for general expenditures within one year of the date of the statement of financial position and how any excess cash is to be invested.

Status

This comment has been implemented and will not be repeated in the future.

INDEPENDENT AUDITORS' REPORT

INDEPENDENT AUDITORS' REPORT

May 12, 2021

Members of the Board of Directors
Special Leisure Services Foundation
Rolling Meadows, Illinois

We have audited the accompanying financial statements of the Special Leisure Services Foundation (the Foundation), which comprise the statement of financial position as of December 31, 2020, and the related statements of activities, cash flows, and functional expenses for the year ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express opinions on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Foundation's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Foundation's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Opinions

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Special Leisure Services Foundation, as of December 31, 2020, and the changes in its net assets and its cash flow for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Prior-Year Comparative Information

We have previously audited Special Leisure Services Foundation's 2019 financial statement, and we expressed unmodified audit opinions on the respective financial statements of the governmental activities, each major fund, and the aggregate remaining fund information in our report dated April 21, 2020. In our opinion, the summarized comparative information presented herein as of and for the year ended December 31, 2019, is consistent, in all material respects, with the audited financial statements from which it has been derived.

Other Information

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the Foundation's financial statements. The supplemental schedule is presented for purposes of additional analysis and are not a required part of the financial statements.

The supplemental schedule is the responsibility of management and were derived from and relate directly to the underlying accounting and other records used to prepare the financial statements. Such information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the supplemental schedule is fairly stated, in all material respects, in relation to the basic financial statements as a whole.

SPECIAL LEISURE SERVICES FOUNDATION, ILLINOIS

Notes to the Financial Statements December 31, 2020

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Foundation Purpose

The Special Leisure Services Foundation (the “Foundation”) is an Illinois not-for-profit organization incorporated on November 1, 1980. The Foundation was formed to facilitate participation by adults and children with disabilities in recreation programs offered by the Northwest Special Recreation Association (“NWSRA”) and the park districts and municipalities which are partners in the operations of NWSRA.

The Foundation uses its funds for five main programs:

Inclusion (ADA Compliance) – The Foundation provides grants so that aides and adaptive equipment can be provided to enable individuals with disabilities to mainstream back into their regular park district program.

Accessible Vehicle Support – The foundation provides grants for vehicles to provide door-to-door transportation for individuals with disabilities and other adaptive equipment.

General Program Support – The Foundation provides financial support to create innovative program opportunities and services.

Scholarships – The Foundation provides financial support to disabled individuals in economic need to enable them to participate in NWSRA programs.

NWSRA Lightning Athletics/Paralympics/Unified Sports – The Foundation provides grants to NWSRA Lightning Athletes, Paralympics and Unified Sports which help athletes competing in their local community by giving them the opportunity to advance to state, national, and international competition.

In addition to the five focus areas, the Foundation may also assist with programs:

Building Improvements – The Foundation provides the financial support to make necessary improvements to the building that houses the offices of the NWSRA.

Basis of Accounting

The financial statements are prepared using the accrual basis of accounting in which revenue is recognized when earned and expenses are recognized when incurred.

Net Assets

The Foundation’s financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America. Net assets of the Foundation and changes therein are classified and reported as follows:

SPECIAL LEISURE SERVICES FOUNDATION, ILLINOIS

Notes to the Financial Statements December 31, 2020

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – Continued

Net Assets – Continued

Net Assets Without Donor Restrictions – Net assets that are not subject to donor-imposed restrictions and may be expended for any purpose in performing the primary objectives of the organization. These net assets may be used at the discretion of the Foundation's management and the board of directors.

Net Assets With Donor Restrictions – Net assets subject to stipulations imposed by donors and grantors. Some donor restrictions are temporary in nature; those restrictions will be met by actions of the Foundation or by the passage of time. Other donor restrictions are perpetual in nature, where by the donor has stipulated the funds be maintained in perpetuity.

Donor restricted contributions are reported as increases in net assets with donor restrictions. When a restriction expires, net assets are reclassified from net assets with donor restrictions to net assets without donor restrictions in the Statement of Activities.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reported period. Actual results could differ from those estimates.

Income Taxes

The Foundation is exempt from income tax under IRC section 501(c)(3), and similarly, is exempt from State of Illinois taxes under the Illinois Tax Act Section 205(a), though it is subject to tax on income unrelated to its exempt purpose, unless that income is otherwise excluded by the Code. The Foundation has processes presently in place to ensure the maintenance of its tax-exempt status; to identify and report unrelated income; to determine its filing and tax obligations in jurisdictions for which it has nexus; and to identify and evaluate other matters that may be considered tax positions. The Foundation has determined that there are no material uncertain tax positions that require recognition or disclosure in the financial statements. There was no unrelated business income for the year ended December 31, 2020.

The Foundation's Forms 990, *Return of Organization Exempt from Income Tax*, are subject to examination by the IRS, generally, for three years after they were filed. Annual filings with the State of Illinois are, similarly, subject to examination.

Notes to the Financial Statements December 31, 2020

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – Continued

Functional Allocation of Expenses

The costs of providing the various programs and supporting services have been summarized on a functional basis in the statement of functional expenses. Functional expenses which are not directly attributable to one function are allocated between program, management and general, and fundraising services based on the number of employees involved, the amount of time spent, the percentage of their salary associated with that time and on estimated made by the Foundation's management.

Cash and Investments

For the purpose of the Statement of Financial Position, cash and cash equivalents are considered to be cash on hand, demand deposits, and cash with fiscal agent. For the purpose of the Statement of Cash Flows, cash and cash equivalents are considered to be cash on hand, demand deposits, cash with fiscal agent, and all highly liquid investments with an original maturity of three months or less.

Investments are generally reported at fair value. Short-term investments are reported at cost, which approximates fair value. For investments, the Foundation categorizes its fair value measurements within the fair value hierarchy established by generally accepted accounting principles. The hierarchy is based on the valuation inputs used to measure the fair value of the asset. Level 1 inputs are quoted prices in active markets for identical assets; Level 2 inputs are significant other observable inputs; Level 3 inputs are significant unobservable inputs.

Receivables

In the Statement of Financial Position, receivables are stated at the amount billed. The Foundation does not charge late fees on amounts past due. An allowance for uncollectible accounts has not been established since management believes all accounts are substantially collectible. Management's periodic evaluation of the collectability of receivables is based on past experience, known and inherent risks in the receivables, adverse situations that may affect the obligee's ability to repay, and current economic conditions. Receivables deemed uncollectible are charged to expense.

Contributed Revenue

Contributions that are restricted by donors are reported as increases in net assets without donor restrictions if the restrictions are satisfied or expire in the reporting period in which the contributions are recognized. All other donor-restricted contributions are reported as increases in net assets with donor restrictions. When restrictions expire (that is, when a stipulated time restriction ends or purpose restriction is accomplished), net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the Statement of Activities as net assets released from restrictions.

Accordingly, contributions have been recorded for the fair value of the facilities of \$23,429 and \$23,042 for the years ending December 31, 2020 and 2019, respectively. Contributed services that do not meet the above criteria are not recognized as revenues and are not reported in the accompanying financial statements. The Foundation received services from NWSRA employees, which includes grant/sponsorship writing, event fund-raising, and development coordination, a portion of which meets the criteria for recognition. These amounts have been included as donations revenue and management and general expenses and fundraising expenses of the Statements of Activities. However, these donated services are not reflected in the Statements of Activities because the criteria for recognition have not been satisfied.
